GOA, DAMAN AND DIU INDUSTRIAL DEVELOPMENT ACT, 1965

(First Amendment) Bill 1988

Statement of Objects and Reasons

Goa, Daman and Diu Industrial Development Act, 1965 was enacted in 1965 and no amendment to the same has been made since then. During the actual implementation of the provisions of the said Act, it is felt that some of the provisions need change. Section 4 especially, regarding the Constitution of the Corporation is proposed to be made broad-based to have representation from the Small Scale Industries and the Chamber of Commerce. Further, as per Section 6 the term of office which was 2 years is proposed to be made for 3 years, as the period of 2 years is found to be very short. Under Section 19, a provision was made to provide funds to the Corporation by the Government by way of grant, subventions, loans and advances. However, the provision of providing funds by way of Capital Contribution was not provided. As the total capital provided for the Corporation by the Government is by way of Capital Contribution, the said term is now proposed to be included in section 19 alongwith the others. A provision has also been made in clause 37 for declaring the area which is earmarked as industrial area and is under control of the Corporation to notify the same as notified areas. The reasons for the same is the industrial estates which are under the control of the Corporation also falls under the jurisdiction of Municipality/Village Panchayat and so there is duplication of authorities over the said area. To do away with this duplication, the said provision of declaring the area as notified area is proposed. Other provisions which are included in amendment are to facilitate the working of the Corporation.

The Bill does not envisages any financial commitment.
